Volume 5, Issue 11

Make gift giving easy this year by drafting a simple, one-stop checklist. Print a copy to fill out and take with you as you're shopping for friends and family, or share it with people shopping for gifts for you. From the woodworker to the crafting queen or your favorite handyman, you can stock up on Dremel gifts for all at your local hardware store or home improvement center. Here are a few gift ideas to get you started.
